I am pleased to announce that Dr. Eric Hugh Dierker has been added to our group. Dr. Dierker is a lawyer who has offered to help us in getting the inclusive name space off the ground. He will also be assisting me in the preparation of a factum on behalf of all TLD holders which we can then present to various consumer protection agencies both inside and outside the United States. Our hope in preparing this factum is to get back the millions of dollars invested by people in various organizations making claim to be representing the inclusive name space.

Dr. Dierker has studied at the American College in Paris, he has a dual B.S. in Philosophy and Business Administration through the Northern Arizona University, is a Juris Doctorate through the California Western School of Law, and has also studied at the American College in Puebla.

Dr. Dierker is International Counsel to Memolin SA de CV, Mexico, Hi-Tek.com.vn Vietnam. DOTVN. Maquiledoras representative in Tijuana, and he is the Chair of General Assembly - GNSO, ICANN.

I hope you all give Dr. Dierker a hearty welcome.

regards
 joe baptista
